## WELCOME TO BEPA!

Our little restaurant, now in its winter edition, is a happy place, where, inspired by true home cooked food we make everything from scratch using the freshest local ingredients. Our food is passionately made by our hands each day. Here on this wonderful square, our town's eight-century old meeting place, we share unending tradition of encounters, respites, friendship, chit-chat and laughter. Come. Sit. Eat. Enjoy! Those four, simple, comforting words are at our heart. And please remember that any good meal takes time to make otherwise it's not food made with creativity and flavor.
